In the following Definitions a Challenge Certificate includes any Show award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in Breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials, each partner must, at the time of entry, be a Member of the Club.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class i.e. **14th March 2024**. Wins in Variety classes do not count for entry in Breed classes, but when entering for Variety classes wins in both Breed and Variety classes must be counted. First Prizes awarded in any classes defined as 'Special' do not count towards eligibility.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

- (b) For an exhibit entered incorrectly in a Minor Puppy, Puppy or Junior class which is over age but under 12 Calendar months, 18 Calendar months or 24 Calendar months respectively, the Show Secretary shall transfer the exhibit to the Puppy, Junior or Yearling class respectively for the correct breed, colour, sex, weight or height, and in the event of there being no Puppy, Junior or Yearling class respectively to the Open class for the correct breed, colour, sex, weight or height. (c) For any other reason than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.
- (d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION

1 These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A42. (a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.

(b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42.

2 (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show. (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

All cages must be identifiable. It is now a Kennel Club requirement for safety purposes that owner/exhibitor identification is affixed to all cages and crates throughout the duration of the show.

WARNING AGAINST THE USE OF SOFT CRATES

The Kennel Club would like to draw attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates with dogs occupying them should never be left unattended. Those left at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move the soft crates along the floor. The Kennel Club is also aware that there have been instances where dogs have escaped from soft crates.

10. will only sell dogs where there is a reasonable expectation of a happy and healthy life and will help with the rehoming of a dog if the initial circumstances change;
11. will supply written details of all dietary requirements and give guidance concerning responsible ownership when placing dogs in a new home;
12. will ensure that all relevant Kennel Club documents are provided to the new owner when selling or transferring a dog, and will agree, in writing, to forward any relevant documents at the earliest opportunity, if not immediately available;
13. will not sell any dog to commercial dog wholesalers, retail pet dealers or directly or indirectly allow dogs to be given as a prize or donation in a competition of any kind. Will not sell by sale or auction Kennel Club registration certificates as stand alone items (not accompanying a dog);
14. will not knowingly misrepresent the characteristics of the breed nor falsely advertise dogs nor mislead any person regarding the health or quality of a dog

In addition to the above Kennel Club provisions:

15. Members shall not mate any bitch that is less than 18 calendar months of age nor allow their stud dogs to be used on bitches aged less than 18 months.

- 15 All exhibitors must be familiar with the Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
- 16 All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
- 17 **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at their licensed events. When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams. If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible and plenty of stops should be taken with lots of water available to drink. Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog. When at the show never leave your dog in the vehicle. Keep the dog in the shade, take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated. Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare. Anyone whose dog is entered at a Kennel Club licenced event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health or welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
- 18 Not for Competition entries will be accepted and must be recorded on the entry form. Dogs must be Kennel Club

DEFINITIONS OF CLASSES

The word 'dog' includes both sexes

In the following Definitions a Challenge Certificate includes any Show award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in Breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials, each partner must, at the time of entry, be a Member of the Club.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class i.e. **14th March 2024**. Wins in Variety classes do not count for entry in Breed classes, but when entering for Variety classes wins in both Breed and Variety classes must be counted. - (b) For an exhibit entered incorrectly in a Minor Puppy, Puppy or Junior class which is over age but under 12 Calendar months, 18 Calendar months or 24 Calendar months respectively, the Show Secretary shall transfer the exhibit to the Puppy, Junior or Yearling class respectively for the correct breed, colour, sex, weight or height, and in the event of there being no Puppy, Junior or Yearling class respectively to the Open class for the correct breed, colour, sex, weight or height.
- (c) For any other reason than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.
- (d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

26 The Committee is empowered to exclude any dog which is not in a fit state for competition due to disease, vice, natural or other causes, and if such exclusion takes place before or after the dog is judged the entry fee will be forfeited.

27 The Club reserves the right to charge a £10 administration fee if a cheque is not honoured by the Bank on first presentation or it has to be returned to an exhibitor or their agent for any other reason.

28 Entry fees, once made, will not be refunded.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION

1 These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the General Committee for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A42. (a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.

(b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A42.

2 (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show. (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed and nothing can be done except (a) operations certified to the satisfaction of the General Committee (b) the removal of dew claws of any breed (c) operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown. Nor must anything be done calculated to in the opinion of the General Committee to deceive.

4 The General Committee without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.

5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.

6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

All cages must be identifiable. It is now a Kennel Club requirement for safety purposes that owner/exhibitor identification is affixed to all cages and crates throughout the duration of the show.

WARNING AGAINST THE USE OF SOFT CRATES

The Kennel Club would like to draw attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates with dogs occupying them should never be left unattended. Those left at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move the soft crates along the floor. The Kennel Club is also aware that there have been instances where dogs have escaped from soft crates.

REFRESHMENTS WILL BE AVAILABLE

11. will supply written details of all dietary requirements and give guidance concerning responsible ownership when placing dogs in a new home;
12. will ensure that all relevant Kennel Club documents are provided to the new owner when selling or transferring a dog, and will agree, in writing, to forward any relevant documents at the earliest opportunity, if not immediately available;
13. will not sell any dog to commercial dog wholesalers, retail pet dealers or directly or indirectly allow dogs to be given as a prize or donation in a competition of any kind. Will not sell by sale or auction Kennel Club registration certificates as stand alone items (not accompanying a dog);
14. will not knowingly misrepresent the characteristics of the breed nor falsely advertise dogs nor mislead any person regarding the health or quality of a dog

In addition to the above Kennel Club provisions:

15. Members shall not mate any bitch that is less than 18 calendar months of age nor allow their stud dogs to be used on bitches aged less than 18 months.

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it may, at the discretion of the judge, be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it may also, at the discretion of the judge, be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.

- 15 All exhibitors must be familiar with the Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
- 16 All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
- 17 **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don't's travelling to and whilst at their licensed events. When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams. If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible and plenty of stops should be taken with lots of water available to drink. Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog. When at the show never leave your dog in the vehicle. Keep the dog in the shade, take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated. Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare. Anyone whose dog is entered at a Kennel Club licenced event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health or welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
- 18 Not for Competition entries will be accepted and must be recorded on the entry form. Dogs must be Kennel Club registered. Fully vaccinated Poodle puppies aged 4 - 6 months will be accepted.
